UPDATE

With the approval of the Shareholders for the sale of the Disposed Assets now received, the principal outstanding condition to the sale of the Disposed Assets is the formal approval by the Ugandan Government who will decide, in their role as final arbiter, which of the proposed purchasers to accept. Heritage will apply for formal approval from the Ugandan Government for the sale of the Disposed Assets as soon as possible and expects the transaction to complete in the first quarter.

Tony Buckingham, Chief Executive Officer, commented:

"We are delighted that our shareholders have voted to accept the transaction, moving us one step further towards completion. These results prove the overwhelming support for this

transaction and the Board's strategy. I would like to extend thanks to our shareholders for their support."
