FORWARD LOOKING STATEMENTS: This press release contains forward-looking statements, which address future events and conditions, which are subject to various risks and uncertainties. Forward looking statements in this press release include that our stock will trade under a new symbol on June 8, 2011, that we can continue aggressive prospecting, exploration and development activities on the project; that production can start in the first quarter of 2012, that we can build a senior silver-producing mining company based on aggressive exploration and development of the highly-prospective current land position at the Crescent Silver Mine project and through the acquisition of additional precious metals interests. The Company's actual results and financial position could differ materially from those anticipated in such forward-looking statements as a result of numerous factors, some of which may be beyond the Company's control. These factors include: results of exploration activities and development of mineral properties, estimation of mineral reserves and resources, fluctuations in the marketplace for the sale of minerals, the inability to implement corporate strategies, the inability to obtain financing, the inability to agree with joint venture or other key partners on important items, labor shortages, the inability to keep key employees, currency fluctuations, general market and industry conditions and other risks disclosed in the Company's filings with Canadian Securities Regulators

Forward-looking statements are based on the expectations and opinions of the Company's management on the date the statements are made. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
